Daniel, when I first saw you

F# G#m B

I knew that you had

F# E C#m F#

A flame in your heart

G#m B

And under wild blue skies

F# E C#m

Marble move skies

F# G#m

I found a home in your eyes

B F# E C#m F#

We would never be apart

G#m B

And when the fires came

F# E C#m

The smell of cinders and rain

F# G#m

Perfumed almost everything

B F# E C#m F#

We laughed and laughed and laughed

G#m B

And in the golden blue

F# E C#m

Crying took me to

F# G#m

The darkest place you knew

B F# E C#m F#

And set fire to my heart

G#m B F# E C#m F#

I dream of home

G#m B

But in a goodbye bed

F# E C#m

With my arms around your neck

F# G#m

Into our mouths the tears crept

B F# E C#m F#

Just kids in the eye of the storm

G#m B

And as my house spun round

F# E C#m

My dreams pulled me from the ground

F# G#m

Forever to search for the flame

B F# E C#m F#

For home again! For home again!
