If I Knew
Bat For Lashes

[Intro]

Bb Fm Eb Ebm

[Verse 1]
Bb   **Fm**   **Eb**   **Ebm**
You know that you came at the perfect time
Bb   **Fm**   **Eb**   **Ebm**
There was a mountain I had to claim as mine
Bb   **Fm**   **Eb**   **Ebm**
And you brought every weather from storm to shine
Bb   **Fm**   **Eb**   **Ebm**
But I m thankful for who you helped me find

[Chorus]
Bb6   **Fm**   **Eb**   **Ebm**
Baby, if I knew what I know now
Bb6   **Fm**   **Eb**   **Ebm**
I would never turn it back around
Bb6   **Fm**   **Eb**   **Ebm**
Wrong or right, you held me up to the light
Bb6   **Fm**   **Eb**   **Ebm**
The mountain had a mirror inside
Bb6   **Fm**   **Eb**   **Ebm**
And where I was going took time

[Verse 2]
Bb   **Fm**   **Eb**   **Ebm**
You ve seen me walk through a veil of fire
Bb   **Fm**   **Eb**   **Ebm**
Strung up by the darkness as my pain flew higher
Bb   **Fm**
And I thought it was you I d been searching for
                              Eb   **Ebm**
But somehow I am the mirror, the mountain, the door

[Chorus]
Bb6   **Fm**   **Eb**   **Ebm**
Baby, if I knew what I know now
Bb6   **Fm**   **Eb**   **Ebm**
I could never turn it back around
Bb6   **Fm**   **Eb**   **Ebm**
Wrong or right, you held me up to the light
Bb6   **Fm**   **Eb**   **Ebm**

The mountain had a mirror inside

Bb6   **Fm**   **Eb**   **Ebm**

And where I was going took time
