Tune down 1/2 step to play with the recording

Intro:

G G A A

Oh Yeah Oh Yeah (repeat)

Verse: (chords are the same for each line)

G A Em

Em G Em

I am whole	Hot is the night
The grass is so tall	And slow
The air is wet	And I feel alive
Let the perfume drip	Let it rise!
I am whole	And I walk the night
Luscious and lost	So alone
Touch the rocks	And lick the light
Let the hot winds howl	So slow

Chorus:

G A

Here am I

G A

Looking for a lover to climb inside

G A

Waiting like a flower to open wide

G A

I m in bloom

Verse:

G A Em

Em G Em

I lie low	I m ready to try
The tapestries turn	And grow
Creepers crawl	And kiss my thighs
And the headiness howls	Rise and rise!

Chorus:

G A

Here am I

G A

Looking for a lover to climb inside

G A

Waiting like a flower to open wide

G A

I m in bloom

G A

Here I lie

G A

Lying like a flower with no more time

G A

Waiting for another to come inside

G A

I m in bloom!

G G A A

Oh yeah! Oh Yeah! (repeats)
