

Trophy

Bat For Lashes

Em

The trophy that I made for us

Bm

In fur and gold

Am

Got into the wrong pair of hands

Em

In truth was sold

Em

The naughty for was so much less

Bm

Than it was worth

Am

And every man that touched it

Em

Found a heaven on earth

Em

Heaven is a feeling I get in your arms

Bm

Am

Heaven is a feeling I get in your arms

Em

Em

Heaven is a feeling I get in your arms

Bm

Am

Heaven is a feeling I get in your arms

Em

Em

The queens and the court jesters

Bm

Clapped, adored

Am

Their hearts swelled too

Em

Overdrive a mercy sword

Em

Mercy this and mercy that

Bm

Let justice prevail

Am

But I just want my trophy back

Em

It s not for sale

Em

Heaven is a feeling I get in your arms

Bm

Heaven is a feeling I get in your arms

Dm **C** **Em** **G**
Creatures of mercy (Shoot shoot)

Dm **C** **Em** **G**
Shoot them down and set me free

Dm **C** **Em** **G**
Creatures of mercy (Shoot shoot)

Dm **C** **Em** **G**
Shoot them down and set me free

When I got my trophy back
It took some time
To polish it, to go from black
And shoot the line
When I put it back inside
And locked the door
A trophy of mercy
Is a trophy no more
