Band: The Bates (Zimbl, Reb, Pogo, Klube)  
Song: In this town/A Fuck on the Edge of the World  
Album: pleasure + pain  
Tab and Chords from: Sundawn99[nl]@aol.com (Lenny"next time some Millencolin  
tunes"Nacke)

Right on! These two songs belong together, I think. They re  
earbreaker-distorted and will scare the  
out of you ear. Comments and corrections are welcome. Chordchart shouldn t be  
needed, all power chords. Go  
now!

In this town  
Chords(punk n roll rhythm):  
C - A (just those two, all the time)  
Lyrics:  
Boredom eats me like cancer,  
Boredom makes me sick,  
Boredom eats me like cancer,  
Boredom is so big... in this town... in this town

All my friends are junkies,  
Tryin to get a hit,  
Boredom eats me like cancer,  
Nothing seems to fit... in this town... in this town  
End on-----> A (let ring a while, then start next song below)

A Fuck on the Edge of the World

Verse(Chords, heavy distortion,listen to CD for rhythm,play four times):  
C...(slide to) - D  
**G - A#**

Verse(Lyrics):  
Into the light, shining so bright,  
Into the black, don t break my neck  
Out of the blue, not good for you,

Into the dark, feel like a shark

Chorus(Chords):

D - A - B - G           four times  
F - A                   at the end of each Chorus

Chorus(Lyrics, repeat one time):

Feels like a fuck on the edge of the world,  
Feels like a fuck and the devil is my girl

Verse 2(Lyrics):

Don t talk that way, it s not okay,  
Shine like the sun, I m havin fun,  
Goin so fast, please let it last,  
Feeling so fine, I m on the line

-Repeat Chorus

-Play solo over verse chord progression

Solo(something basically like this with a lot distortion and some bendings,  
really fast):

[tab]G|-----5---7---9---11----|(move this up and down and fill in some bendings  
at the end)[/tab]

-Repeat Chorus

-Outro:

F - A (just kill your guitar, moving these chords up and down)  
end on ----->A

This song was some work, because it s damn fast, but you ll enjoy it, I think.
