First Chord: G
```
                    C            F          C
This old dirty place I remember it well
             Dm           G              Am
Was like in heaven and sometimes like hell
        F                Am
You have left without a trace
      F                       Am
But I always remember your face
           F                   Dm
You have left us, yes you ve left us
             G
All on your own - That s what we fought but

Am      F         Am     F
     Lucy is back
                   Am      F
War nie wirklich weg
      Dm             G
Lucy is back on the track

         C                F          C
I m not alone, we all miss you so much
              Dm              G          Am
We need you attention, your sweet comfort touch
         F                Am
You have left without a trace
      F                       Am
But I always remember your face
           F                   Dm
You have left us, yes you ve left us
             G
All on your own - but we we re wrong,  cause

Am      F         Am     F
     Lucy is back
                   Am      F
War nie wirklich weg
      Dm             G
Lucy is back on the track ... Lucy is back
```
