SHINE - The Bates

e-mail: sonator.booking@googlemail.com

F#m **E**
Little girl pretty face

F **A**
Keeps her smile up in a case

D **Hm**
She knows all the bars all the cars

G **E**
She s known in every place

F#m **E**
And her eyes shine so bright

F **A**
She likes floating through the night

D **Hm**
She is here and there She s everywhere

G **E**
It makes her feel alright

F#m **H**
There she goes

D **E**
She is shining like the sun

F#m **H**
There she goes

D **E**
She s so beautiful and young

F#m **H**
And she knows

D **E**
Love will always turn to hate

F#m **H**
And she knows

D **E** **F#m**
She must leave the spot before it is too late

C **F#m**
She just wants to have some fun

C **F#m**
Here today tomorrow gone

C **F#m**
And she needs another stage

C **F** **H**

`Cause the last one has just turned into a cage

F#m **E**
Little girl pretty face
F **A**
She has left without a trace
D **Hm**
She knows all the bars all the cars
G **E**
It s just another place

F#m **E**
And her eyes shine so bright
F **A**
She is floating through the night
D **Hm**
She is here and there She s everywhere
G **E**
It makes her feel alright

CHORUS: There she goes...

BRIDGE: She just wants to have some fun...

SOLO: **F#m** **E** **F** **A** **D** **Hm** **G** **E**

CHORUS: There she goes...
