Burn This Town
Battleme

Intro: C   G   C   G (listen the song carefully and you ll catch this cool
rhythm)

C   **G**
Gonna burn the town
C   **G**
if you lie to me
C   **F**
gonna set it off
Am   **G**
oh, baby I was blind to see

C   **G**
Talk me down
C   **G**
I ll find my wings
C   **F**
a big bad soul
Am   **G**
some say it s the end of me

 F   **C**   **G**
And I tell myself it s not following me
 F   **C**   **G**
Break me out of here, cause it s blinding me
 F   **C**   **G**
Lie to me baby, don t you lie to me
 F   **Am**   **G**
Nothing s gonna change if you wait to save me

C **G** **C** **G**

C   **G**
When the world is down
C   **G**
And fast asleep
C   **F**
They can t break us now
Am   **G**
Nobody s here for you or me

C   **G**
I m half way gone
C   **G**
Don t want to be alone
C   **F**
I ll burn this town

```
Am              G
I ll find you if you wanna be found

 F                      C        G
And I tell myself they re not following me
 F                              C        G
Break me out of here, cause it s blinding me
 F                      C      G
Lie to me baby, don t you lie to me
 F                          Am          G
Nothing s gonna change if you wait to save me

C G C G C F Am G

 F                      C        G
And I tell myself it s not following me
 F                              C      G
break me out of here, cause it s blinding me
 F                      C      G
Lie to me baby, don t you lie to me
 F                          Am              G
Nothing s gonna change if you can t save me
   F
I said nothing s gonna change if
   Am                   G
You can t, can t save me
```
