

Here With Me Battleme

Capo at 3

C- X32013

G **C** **G**
When the world kicks me under, big olâ€™ shiny moon
G **D**
Lord take the bad side and keep it from her too
G **C** **G** **G-F#m-Em**
It never really matters, I said what I would do
Em **D** **C** **G**
Lord take the bad side and keep it from her too

G **C** **G**
Gonna wake up in the morning, find her lying there
G **D**
Free side of every man is knowing when to care
G **C** **G** **G-F#m-Em**
Cityâ€™s gonna blow down, it s big outside my door
Em **D** **C** **G**
Lord keep her here with me, just a little more

G **C** **G**
Gonna move it all out
G **C** **D** **D7**
Donâ€™t wanna move it all out

G **C** **G**
And my eyes they burn fires, she whispers out to me
G **D**
Leave it all, letâ€™s go to town, broken down but free
G **C** **G** **G-F#m-Em**
All the killers and the sad ones are wasted songs to me
Em **D** **C** **G**
Tell â€™em when they come around they wonâ€™t be down with me

G **C** **G**
Gonna move it all out
G **C** **D** **D7**
Donâ€™t wanna move it all out

G **C** **G**
She finds me in the darkness, waiting to be found
G **D**
Lord take the bad side, the drugs can hang around
G **C** **G** **G-F#m-Em**

Drive all night, watch the light burn our love some more

Em **D** **C** **G**
Lord keep her here with me, just a little more

Em **D** **C** **G**
Lord keep her here with me, just a little more
