Here With Me
Battleme

Capo at 3

C#- X32013

```
G#                              C#          G#
When the world kicks me under, big olâ€™ shiny moon
G#                          Eb
Lord take the bad side and keep it from her too
G#                        C#              G#        G#-Gm-Fm
It never really matters, I said what I would do
Fm          Eb            C#              G#
Lord take the bad side and keep it from her too

G#                              C#          G#
Gonna wake up in the morning, find her lying there
G#                        Eb
Free side of every man is knowing when to care
G#                              C#          G#       G#-Gm-Fm
Cityâ€™s gonna blow down, it s big outside my door
Fm          Eb            C#              G#
Lord keep her here with me, just a little more

G#          C#   G#
Gonna move it all out
G#                      C#   Eb   Eb7
Donâ€™t wanna move it all out

G#                                C#                G#
And my eyes they burn fires, she whispers out to me
G#                          Eb
Leave it all, letâ€™s go to town, broken down but free
G#                                C#              G#   G#-Gm-Fm
All the killers and the sad ones are wasted songs to me
Fm              Eb              C#                G#
Tell â€˜em when they come around they wonâ€™t be down with me

G#          C#   G#
Gonna move it all out
G#                      C#   Eb   Eb7
Donâ€™t wanna move it all out

G#                              C#          G#
She finds me in the darkness, waiting to be found
G#                          Eb
Lord take the bad side, the drugs can hang around
G#                              C#                G#      G#-Gm-Fm
```

Drive all night, watch the light burn our love some more
Fm   **Eb**   **C#**   **G#**
Lord keep her here with me, just a little more
Fm   **Eb**   **C#**   **G#**
Lord keep her here with me, just a little more
