F# **B** **F#**
When the world kicks me under, big olâ€™ shiny moon
F# **C#**
Lord take the bad side and keep it from her too
F# **B** **F#** **F#-Fm-Ebm**
It never really matters, I said what I would do
Ebm **C#** **B** **F#**
Lord take the bad side and keep it from her too

F# **B** **F#**
Gonna wake up in the morning, find her lying there
F# **C#**
Free side of every man is knowing when to care
F# **B** **F#** **F#-Fm-Ebm**
Cityâ€™s gonna blow down, it s big outside my door
Ebm **C#** **B** **F#**
Lord keep her here with me, just a little more

F# **B** **F#**
Gonna move it all out
F# **B** **C#** **C#7**
Donâ€™t wanna move it all out

F# **B** **F#**
And my eyes they burn fires, she whispers out to me
F# **C#**
Leave it all, letâ€™s go to town, broken down but free
F# **B** **F#** **F#-Fm-Ebm**
All the killers and the sad ones are wasted songs to me
Ebm **C#** **B** **F#**
Tell â€™em when they come around they wonâ€™t be down with me

F# **B** **F#**
Gonna move it all out
F# **B** **C#** **C#7**
Donâ€™t wanna move it all out

F# **B** **F#**
She finds me in the darkness, waiting to be found
F# **C#**
Lord take the bad side, the drugs can hang around
F# **B** **F#** **F#-Fm-Ebm**

Drive all night, watch the light burn our love some more

Ebm **C#** **B** **F#**

Lord keep her here with me, just a little more

Ebm **C#** **B** **F#**

Lord keep her here with me, just a little more
