A **D** **A**
When the world kicks me under, big olâ€™ shiny moon
A **E**
Lord take the bad side and keep it from her too
A **D** **A** **A-G#m-F#m**
It never really matters, I said what I would do
F#m **E** **D** **A**
Lord take the bad side and keep it from her too

A **D** **A**
Gonna wake up in the morning, find her lying there
A **E**
Free side of every man is knowing when to care
A **D** **A** **A-G#m-F#m**
Cityâ€™s gonna blow down, it s big outside my door
F#m **E** **D** **A**
Lord keep her here with me, just a little more

A **D** **A**
Gonna move it all out
A **D** **E** **E7**
Donâ€™t wanna move it all out

A **D** **A**
And my eyes they burn fires, she whispers out to me
A **E**
Leave it all, letâ€™s go to town, broken down but free
A **D** **A** **A-G#m-F#m**
All the killers and the sad ones are wasted songs to me
F#m **E** **D** **A**
Tell â€™em when they come around they wonâ€™t be down with me

A **D** **A**
Gonna move it all out
A **D** **E** **E7**
Donâ€™t wanna move it all out

A **D** **A**
She finds me in the darkness, waiting to be found
A **E**
Lord take the bad side, the drugs can hang around
A **D** **A** **A-G#m-F#m**

Drive all night, watch the light burn our love some more

F#m **E** **D** **A**

Lord keep her here with me, just a little more

F#m **E** **D** **A**

Lord keep her here with me, just a little more
