

**Give A Little Love**  
**Bay City Rollers**

I:

**C**          **Am**          **Dm**  **G**  
It s a teenage dream to seventeen  
          **E**                  **C**                  **Am**  **G**      **F**  
And to find you re all wrapped up in love (in love)  
          **C**                  **Am**                  **Dm**          **G**  
And I found that you made a dream come true  
          **E**      **C**              **F**              **G**  
Now I do believe in what they say

*Chorus:*

**C**                                  **G**  
You ve got to give a little love take a little love  
**Am**                                  **D**  
Be prepared to forsake a little love  
                  **C**                  **G**              **Am**  **G**  
And when the sun comes shining through  
**Dm**                                  **G**  
We ll know what to do  
**C**                                  **G**  
Give a little love take a little love  
**Am**                                  **D**  
Be prepared to forsake a little love  
                  **C**                  **G**              **Am**  **G**  
And when the sun comes shining through  
**Dm**                  **G**              **F**      **G#**  **C**  **F**  
We ll know, what to do

II:

And when I walk with you there is just we two  
And the world goes by but I just don t care  
And I know one day that I ll find the way  
To be safe and sound within your heart

Chorus

So until I do I m gonna give a little love take a little love,...  
Be prepared to forsake a little love  
And when the sun comes shining through  
We ll know what to do  
Give a little love take a little love  
Be prepared to forsake a little love  
And when the sun comes shining through  
We ll know, what to do
