

Lets Go
Bay City Rollers

A **D**
Let's go hugging and a-kissing in the moonlight
E **A** **E**
I know you and I together make it so right
A **D**
Let's go, girl I told your Mamma and it's alright
Bm **E** **D** **A**
We'll be alone, baby I'll walk you home in the moonlight

A
Hey, you got the key to my heart
D **E** **A**
Any time you wanna use it
D **E** **C#m** **F#m**
I'll be waiting for you, girl cos I adore you
D **E**
You're so, you know

Everybody wants to know
What my life was like before you
I don't think I'm bothered
I just wanna shout it out, baby I love you

Chorus:

Let's go hugging and a-kissing in the moonlight
I know you and I together make it so right
Let's go, girl I told your Mamma and it's alright
We'll be alone, baby I'll walk you home in the moonlight

III:

Hold me in the palm of your hand
Twist me round your little finger
Do just what you wanna
Baby I'm a goner for you, and it's true

Chorus:

So let's go hugging and a-kissing in the moonlight

I know you and I together make it so right
Let's go, girl I told your Mamma and it's alright
We'll be alone, baby I'll walk you home in the moonlight

upper with a semitone

Let's go hugging and a-kissing in the moonlight
I know you and I together make it so right
Let's go, girl I told your Mamma and it's alright
We'll be alone, baby I'll walk you home in the moonlight
