

My Teenage Heart
Bay City Rollers

F **Am** **C** **Am**
Why must my teenage heart keep sharing you
Gm **C**
Why must my teenage heart feel blue
F **C** **Am**
And if I spend my whole life sharing you
Gm **C**
My teenage love will still be true

Chorus:

But when you're by his side
C#
My foolish pride
A# **A#m**
won't let my feelings through
F
Cos you're breaking
Gm **C** **F**
my teenage heart in two

Verse:

I know one day I won't be sharing you
I know some day I'll be with you
Til then my teenage heart will wait for you
My teenage love will still be true

Chorus (same) :

F
 So if you need a loving
C#
 hand to hold
A# **A#m**
 I'll wait here just for you
F
 Cos you're breaking
Gm **C** **F**
 my teenage heart in two
F
 yes, you're breaking
Gm **C** **F**
 my teenage heart in two...
