Bm

Please doctor come
cure me I lost my legs
I walked for ten long years
and I tripped along the way
I don't know if I can take ten more
I'm getting comfortable on the floor
And I can sleep for days and
dream about life with a general distaste

Chorus 2: Silence

I got battle scars

I got battle scars

Chorus 3:

I got battle scars

I left behind my moral ties
they're gone before you know
Ask for hope and dignity
I lost them long ago
