Just to see you smile

Verse: (as above)

When you said time was all you really needed

I walked away and let you have your space

Cause leavin didn t hurt me near as badly

As the tears I saw rollin down your face

And yesterday I knew just what you wanted

When you came walkin up to me with him

So I told you that I was happy for you

And given the chance I d lie again

Chorus (x2): (as above)

Just to see you smile

I d do anything that you wanted me to

When all is said and done

I d never count the cost

It s worth all that s lost

Just to see you smile

Just to see you smile

I d do anything that you wanted me to

When all is said and done

I d never count the cost

It s worth all that s lost

Just to see you smile
