[Intro]

D Bm A Bm

D Bm A

[Chorus]

D

I think I m going through withdrawals

Bm

Starin at her number, I won t call

F#m

Yeah, and even though it s all your fault

E

You the one I run to by default

D

I m thinking all about the things you said

Bm

That shit is on repeat inside my head

F#m

Makin me feel like a fool

E

Every sacrifice I made for you

For you, yeah

[Verse]

D

Starting over is hard to do

Bm

Cause starting over is without you

A

Bm

Alright, I can t keep pretending I m fine

B

Fine, yeah

D

Do you think about me?

Can you live without me?

Bm

Baby, when they doubt me

Tell me, do you doubt me?

F#m

E

Yeah, and even though this shit is all your fault

Baby, when they call

D

Silence to em all

Bm

Cause these women want to see me fall, yeah

F#m

They don't know me like you do

E

I'm just an object they can use

D

I'm not out here playing games

Bm

I do this for the music, not the fame

A

So don't you say that I'm the same

Bm

Cause I'm the only thing that hasn't changed
