Intro:     **Am**           **E**           **F/E**           **C**           **Em**

**Am**

If you let me be a part of you

**E**

If you tell me what I gotta do

**F/E**                       **C**                       **Em**

Maybe I could change

**Am**

I don t wanna see another day

**E**

If I ever let you walk away

**F/E**                       **C**                       **Em**

From the love we have

**Dm**                                       **Am**

And here I can t see why

**F**

I need her close to me

Chorus:

**G**                       **C**                       **F**

She s everything

**G**                       **C**                       **F**

Everything that I ever wanted here   Woh

**G**                       **C**                       **F**

She s everything

**G**                       **C9**                       **F**

And I don t wanna make believe

Never needed anyone before  
Never knew you could give me more than I ever had  
I don't wanna be afraid again  
You're the one that saves me when I'm falling from you

And here I can't see why  
I need her close to me

Chorus:

She's everything  
Everything that I ever wanted here      Woh  
She's everything  
And I don't wanna make believe

**E**                      **Am**  
I'll never be what you make me

**F**  
Take me now

**E**                      **Am**                      **F**  
Trying to find if there's a way to make you mine

Chorus:

<b>G</b>	<b>C</b>	<b>F</b>
She's everything		
<b>G</b>	<b>C</b>	<b>F</b>
Everything that I ever wanted here      Woh		
<b>G</b>	<b>C</b>	<b>F</b>
She's everything		
<b>G</b>	<b>C9</b>	<b>F</b>
And I don't wanna make believe		
<b>G</b>	<b>C</b>	<b>F</b>
She's everything
