Bea Miller

C
If I could choose anything
C
I would be good in bed
Am
One day, I would fall into love and stay
F

C
And it s not fair

I keep on writing a sequel to stories
Am
I know that are not there
F
I don t wanna die, but I don t wanna live like this

C G Am
I just wanna feel something, I just wanna feel
C G
I just wanna feel something, I just wanna feel
C G
Something really real, so that I can really
F
Feel like a person again
C G Am
I just wanna feel something, I just wanna feel
C G
I just wanna feel something, I just wanna feel
C G
Something really real, so that I can really
F
Feel like a person again

C
If I am telling the truth
C
Watching my friends break their hearts into two

F
