

Sometimes

Beach Fossils

These are the chords played in the melody of this song. These aren't directly in the song, but are great for some rhythm playing if you are singing the song.

Intro :

```

|-----6-8-6-----6----|
|----8-----8-----8-6-8---8-6-|
|-6-6---6-6-----|
```

Intro x6

	C#		A#m
Well I can hardly stand		But I really don't care to know	
	C#		A#m
And you can take my hand		But I don't care where we go	
		C#	
And if you think you know		What I'm thinking about	
		A#m	
Then I can read your thoughts		Without any doubt	
	C#	A#m	
So we can go		Well let's go home	

Intro x2

	C#		A#m
And if I happen to fall		Then please don't pick me up	
	C#		
A#m			
Cause we're enjoying our time		And I wouldn't want to interrupt	
	C#		
A#m			
They worked out so well		When you discovered that it's all the same	
	C#		A#m
We get lost sometimes		But the reality will keep us sane	
	C#		
I know I think too much		I know I waste my time	
	A#m		
And I can't figure out		Which one is yours or mine	
C#		A#m	

That s fine I really couldn t say I mind

Intro x4

End on **C#**
