Intro x6

	<b>C#</b>		<b>A#m</b>
Well I can hardly stand		But I really don t care to know	
	<b>C#</b>		<b>A#m</b>
And you can take my hand		But I don t care where we go	
		<b>C#</b>	
And if you think you know		What I m thinking about	
		<b>A#m</b>	
Then I can read your thoughts		Without any doubt	
	<b>C#</b>		<b>A#m</b>
So we can go		Well let s go home	

Intro x2

	<b>C#</b>		<b>A#m</b>
And if I happen to fall		Then please don t pick me up	
	<b>C#</b>		
<b>A#m</b>			
Cause we re enjoying our time		And I wouldn t want to interrupt	
	<b>C#</b>		
<b>A#m</b>			
They worked out so well		When you discovered that it s all the same	
	<b>C#</b>		<b>A#m</b>
We get lost sometimes		But the reality will keep us sane	
	<b>C#</b>		
I know I think too much		I know I waste my time	
	<b>A#m</b>		
And I can t figure out		Which one is yours or mine	
<b>C#</b>			<b>A#m</b>

That s fine I really couldn t say I mind
