

**Vacation**

**Beach Fossils**

This is my acoustic version of Vacation by Beach Fossils:)  
You always play the same chords..so it s really easy i guess:p

**C Bb F C**  
I m getting on that bus  
**C Bb F C**  
Got to get out of town  
**C Bb F C**  
It s all that s on my mind  
**C Bb F C**  
Leave the city behind

**C Bb F C**  
I see the mountain side  
**C Bb F C**  
The trees and sky go by  
**C Bb F C**  
I m out here on my own  
**C Bb F**  
I might not come back home

I gaze out my window

Scenery comes and goes

I let the time pass by

So I ll be by your side

Heads out like times before

Nothing to wear me for

I m on my way to you

It s all I want to do
