Zebra
Beach House

[Verse]

```
G                 Am
  you know you go
C             G
you don t gotta worry now honey
G      Am
oasis child
C       G
born so wild
```

```
C       Bm       D             G
don t i know you better than the rest
C               Am            G
all deception, all deception from you
```

```
G           Am
you love to stand
C         G
in the white sand
G             Am
didn t ask for miles
C       G
i smiled wide
```

```
C       Bm       D             G
don t i know you better than the rest
C               Am            G
all deception, all deception from you
```

[Chorus]

```
G           C    Em       Bm
  anyway you run, you run before us
Am              D
black and white horse
F       D
arching among us
```

[Verse]

(repeat as before, in intro and other verse)

```
G           Am
 you love to stand
C         G
```

```
in the white sand
G       Am
oasis child
C           G
born into a man

C       Bm      D           G
don t i know you better than the rest
C           Am              G
all deception, all deception from you

G           Am
didn t ask for miles
C       G
i smiled wide
G       Am
oasis child
C       G
born so wild

C       Bm      D           G
don t i know you better than the rest
C           Am              G
all deception, all deception from you

[Chorus]

G           C       Em          Bm
  anyway you run, you run before us
Am              D
black and white horse
F           D
arching among us

(repeat chorus till end)
