Beady Eye**

Intro: **G G/F# Em7** x2

**G G/F# Em7**  
Did you ever loan me that song?  
**G G/F# Em7**  
Did you ever know me at all?  
**G G/F# Em7**  
You listen to the world going wrong,  
**G G/F# Em7**  
Looking through a hole in the wall

**G G/F# Em7**  
Shovin our lovin away,  
**G G/F# Em7**  
Leaving our light on the side  
**G G/F# Em7**  
Never once looking to say,  
**G G/F# Em7**  
We got the ride of our lives

**Cadd9 Dsus2**  
Did we ever find a way,  
**G G/F# Em7**  
To steer through the cold light of day?  
**Cadd9 Dsus2**  
Cause we re just passing through,  
**Asus4 Cadd9**  
And it ain t what you done but it is what you do

**G G/F# Em7**  
Soon as time comes and goes,  
**G G/F# Em7**  
Soon on the verge of who knows  
**G G/F# Em7**  
A sound, we re dancing around  
**G G/F# Em7**  
Turn up the music and drown

**Cadd9 Dsus2**  
Did we ever find a way,  
**G G/F# Em7**  
To steer through the cold light of day?  
**Cadd9 Dsus2**  
Cause we re just passing through,  
**Asus4 Cadd9**

And it ain't what you done but it is what you do

**G G/F# Em7**  
Let s go

**G G/F# Em7**  
Let s go

**Em**  
Some people change,  
**Cadd9**  
Move out of range,

**Em**  
All in a day,  
**Cadd9 Dsus2**

So long,  
**Dsus2**  
So long

**G G/F# Em7** x2 (repetir estes acordes até o final)

So let s go  
Let s go  
Let s go  
Let s go
