Off At The Next Exit
Beady Eye

Intro: **A B**

E   **G#m**
 Tell me what you want
D/F#   **A**
 Tell me what you need, tonight
C   **E**
 Open up your arms
          F#   **A**
Let me be there (ahhhh) let me be there (ahhhh)

E   **G#m**
 Here we go again
D/F#   **A**
 Needing to explain
C   **E**
 Just what s in our brains
          F#   **A**
Is never clear (ahhhh), never clear (ahhhh)

A   **G#m**
 Are you giving me up?
                      F#m
Are you giving me up?
                        C#m   **B**
Are you giving me up, babe?
A   **G#m**
 Cause I get the fear
                      F#m
The more I get you near
                       A
The more you fade away, aw yeah

E   **G#m**
 So what you wanna hear
D/F#   **A**
 Is what I m gonna say
C   **E**
 Any game she play,
        F#   **A**
I ll be here (ahhhh), I ll be here (ahhhh)

A   **G#m**
 Are you giving me up?
                      F#m
Are you giving me up?
                        C#m   **B**

```
Are you giving me up, babe?
A                    G#m
 Cause I get the fear
                        F#m
The more I get you near
                          A
The more you fade away, aw yeah

B
What you gonna  do when the rain comes in?
                                  A
Who you gonna  call to do something about it?
B
Who ll pick you up when you re spread too thin,
                                A
When the walls you built are closing in around you?
     B
I found you

A                    G#m
 Cause I get the fear
                        F#m
The more I get you near
                          A
The more you fade away, aw yeah
```
