

Soon Come Tomorrow  
Beady Eye

INTRO: **Em G Em G Em G Am G**

**Em G Em G**  
Said come tomorrow, wave goodbye yesterday  
**Em G Am G**  
Said come tomorrow, we ll echo out today  
**Em G Em G**  
Well come tomorrow as soon as you can  
**A5 G5 F#5 G**  
This day has been far too much for me man

**Em G Em G**  
I see the faces they re laughing, crying  
**Em G Am G**  
Why is it our hearts are breaking, dying?  
**Em G Em G**  
Once was a girl with no care in the world  
**A5 G5 F#5 G**  
Don t let her be only yesterday s girl

**D C D C**  
What kind of love burns holes in your heart?  
**D C D C**  
Holes that run deep like they ll pull you apart  
**C D G C**  
Smoke it, don t drop it, right to the end  
**C D G C**  
Breathe in, breath out and then breathe in again  
**C D G C**  
This song is over, so look past the end,

**C D Em**  
soon come tomorrow again

( **Em G Em G Em G Am G** )

**Em G Em G**  
Happy despising a moment, maybe it s all  
**Em G Em G**  
Memories last not forever but pretty long  
**Em G Em G**  
No need for words when you re speaking for real  
**A5 G5 F#5 G**  
And no need to tell me, I know how you feel

**D C D C**  
What kind of love burns holes in your heart?

**D**                    **C**                    **D**                    **C**  
Holes that run deep like they ll pull you apart  
**C**                    **D**                    **G**                    **C**  
Smoke it, don t drop it, right to the end  
**C**                    **D**                    **G**                    **C**  
Breathe in, breath out and then breathe in again  
**C**                    **D**                    **G**                    **C**  
This song is over, so look past the end,

**C**                    **D**                    **Em**  
soon come tomorrow again

**C**                    **D**                    **G**                    **C**  
Smoke it, don t drop it, right to the end  
**C**                    **D**                    **G**                    **C**  
Breathe in, breath out and then breathe in again  
**C**                    **D**                    **G**                    **C**  
This song is over, so look past the end,

**C**                    **D**                    **Em**  
soon come tomorrow again

( **Em G Em G Em G Am G** )

**Em**                    **G**                    **Em**                    **G**  
While we were sleeping the world moved on  
**Em**                    **G**                    **Am**                    **G**  
While we were sleeping the dark turned to dawn  
**Em**                    **G**                    **Em**                    **G**  
Nothing remains of the plans that we made  
**A5**                    **G5**                    **F#5**                    **G**  
Only a parallel future to face
