

Wigwam

Beady Eye

**A** **E**

The chips are down, you re in the game  
But win or lose you feel the same  
Another bottle in the hand  
You re sick of life and it s demands

**A** **E**

You re taking off in the night  
You re coming in when it s light  
You make it up to the wife  
You say you re wrong when it s right

**A**

Sha la la la la

**B** **E**

La la la la la

**A**

Sha la la la la

**B** **E**

La la la la la

**A** **E**

You think you got me all worked out  
I ll see you off you and your crowd  
Another bottle takes a man  
Sick of life and it s demands

**A** **E**

Sha la la la la

**B** **E**

La la la la la

**A** **E**

Sha la la la la

**B** **E**

La la la la la

**A** **E**

Sha la la la la

Come to be where I can see

**G** **E**

Way beyond the stars

**D** **A**  
So my friends what s here to me

**G** **E**  
Open up your arms

( **D** **A** **E** )

**E**  
I m comin up

**D**  
I m comin up

**A**  
I m comin up

**E**  
I m comin up

**E**  
I m comin up

**D**  
I m comin up (yeah, you ve been comin up! )

**A**  
I m comin up
