

Lovesick Teenagers

Bear In Heaven

F#m

F#m D A G
Looking to the right, a turn goes by but not for too long

F#m D A G
Our destination, by your misfortune

F#m D A G
We are pulling past, pulling out, but not for too long

F#m D A G
So just embrace it, our destination

Chorus

F# D
Driving away from the high road
A B
We should find a flock of birds big enough
D A
to pull us up from the long road

F# D
Come on, come with us
A B
We are falling straight down so don't lose hope
D A
Loud and clear before we crash into the ground

D A G

F#m D A G
Lovesick teenagers don't ever die, they will live forever
F#m D A G
Even when you're too old, and you think you know more.
F#m D A G
And you know you know more, you'll be

Chorus x 2

F# D
Driving away from the high road
A B
We should find a flock of birds big enough
D A
to pull us up from the long road
F# D
Come on, come with us
A B
We are falling straight down so don't lose hope

D

A

Loud and clear before we crash into the ground
