

Road Of Glass
Bear Me Again

Em D
Road of shattered glass and vinegar
Am C D Em
Oh, how far home is from me now
D Am C D Em
And I made myself a bed of roses where I can't see you
D Em
And I can't see you anymore

(D Em)

Am C D
And I heard from my father and my mother:
Em D Em
Hold god's hand, one day you will soar
Am C D
I heard from my girlfriend and my brother:
Em D Em
Who would know, one day you'd let go?
D Em
One day you'd let go

(D Em)

Em D Am
Formulas and scientific attempts
C D Em
What have I not tried by now
D Am C D Em
Hurts to say goodbye when you know it's the last one
D Em
Last one

Am C D
And I heard it coming from my conscious:
Em D Em
Out of bed! Time will surely pass
Am C D
I squint my eyes to see how far was left to
Em D Em
Get to you, going on this road of glass
D Em
Going on this road of glass

Em D Em D
And I tried to spend my life, far, far
Em D Em D

But you chose to go after me

Em **D** **C** **D**

Even though I d been so lost

Em

And I was so lost
