

33 Degree Love Song Beardless Amish

Well, I finally found the little bugger! I've been looking for the chords for this song forever. Very but a super-cool song????..enjoy!

[tab]G Em C D
Darling, you are the apple of my eye[/tab]
[tab]G Em C D
I can't live without you by my side[/tab]
[tab]G Em C D
I think you are better than sliced bread[/tab]

[tab]G Em C D
When I become a Shriner then you can be my fez[/tab]

Lovemuffin, I think you score a ten
You must be a dog because you're this man's best friend
You can be a husky, and I'll be a chow
I don't care what species just as long as I'm your pal
CHORUS:

[tab]C D G
Darling you are the one[/tab]
[tab]C D G
Please be my fez (2x)[/tab]

Honeybuns, you're what the Germans call zerr gutt
If you were the ocean then I would be the boot
What could be better than sailing with you all day
If you were the ocean than no sailors would be gay-CHORUS

Sugarlips, I think that you are the bomb
You can do an air raid on me anytime you want
Arrest her officer, she stole my heart
I wish I was those handcuffs wrapped around your arms-CHORUS

[tab]On the final chorus, slowly strum the C-D-G for "Darling you are the one"
Then pluck the following for "Please be my fez"

-----2-----3-----|
-----1-----3-----|
-----2-----
-----3-----|
-----|[/tab]

When played with two guitars, the second guitar plucks the chords during the 3rd and 4th verses.
