

North Hansen
Bearings (Canada)

I manually copied the lyrics for this you guys better be grateful
*-single strum

[Intro]

A* **A*** **A***
I went to see you at the Hospital
D* **D*** **D***
I found you laying in your room
F#m* **F#m*** **F#m***
I Stood beside your bedside every night
E* **E*** **E***
I did my best to comfort you

[Verse]

A
It s the morphine and the painkillers
D
That left you tired and confused
F#m
They said the cancer wasn t cureable
E
They said there s nothing they could do
D **A**
 (what is happening?)
F#m **E**
I don t believe a word they say
D **A**
 (what is happening?)
F#m **E**
I couldn t watch you fade away

[Chorus]

A **D** **F#m** **E**
All I m saying is the ending of scares me every time
A **D**
Your words replaying
F#m **E**
Over and over I save them in my mind
A **D**
Now I m grabbing a hold

Of what s about to unfold
F#m **E**
I m walking hospital halls now that you re gone
A **D**
All I m saying

F#m **E** **D***
Is I still call your answering machine

[Verse]

A
I know
F#m **E**
I ve been busy now the last little while
A **D**
I ve got a, small apartment in Ottawa
F#m **E**
I ve got a girl with a beautiful smile
A
I ve got dreams, I ve got needs
D
I ve got things I believe
F#m **E**
That I just can not let go
A **D**
I still, think about you every single day
F#m
I still miss that old North Hansen Home
E **D***
Sometimes I wanna go home

[Chorus]

A **D** **F#m** **E**
All I m saying is the ending of scares me every time
A **D**
Your words replaying
F#m **E**
Over and over I save them in my mind
A **D**
Now I m grabbing a hold

Of what s about to unfold
F#m **E**
I m walking hospital halls now that you re gone
A **D**
All I m saying
F#m **E**
Is I still call your answering machine

[Interlude]

D* F#m* E* x2

[Bridge]

D*
I m so scared
F#m* E*
I m trembling
D* F#m* E*
Your words were remembering

D*

I m so scared

F#m* E*

I m trembling

D* F#m* E*

Your words were remembering

[Guitar solo]

D A F#m E 4x (I would tab the solo but I don t know how so here are the chords for it!)

[Repeat Interlude]

D* F#m* E* x2
