In Between
Beartooth

There is no acoustic version of this song that I know of, but I thought this song would be nice played
acoustic so I tabbed it.

A quick note before you start:

For the intro you can play this tab or just the chords picked.

```
[Intro]
E|-----------------------------------------|
B|-----------------------------------------|
G|-----------------------------------------|
D|-----------------------------------------|
A|-----------------------------------------|
E|-10(x16)------6(x16)-----3(x16)------6(x16)|(x2)
```

The pre-chorus has the same deal; use this tab or pick the chords or strum
whatever you like.

```
[Pre-Chorus]
E|-----------------------------------------|\
B|-----------------------------------------| \
G|---10------12------14------10------10------|  \end on A
D|-----(x4)----(x4)----(x8)----(x4)----(x4)--|   /
A|---8-------10------12------7-------8-------| /
E|-----------------------------------------|/
```

[Intro]
D   **Bb**
Woah-oah-oh-ohhhh-oh-oh
G   **Bb**
Woah-oah-oh-oaahhhh
D   **Bb**
Woah-oah-oh-ohhhh-oh-oh
G   **Bb**
Woah-oah-oh-oaahhhh

[Verse 1]
D   **F**   **C**
Life just sucks when all you know is the bottom
     D   **F**   **C**
It s not your choice, there s no escaping it

```
D                  F        C
Get up and run as far as you can
D                                  F        C
Head to higher ground while there s a chance to live

[Pre-Chorus]
       F         G         A
Don t run away, run away, runaway
       F         G/C       A
Don t run away, run away, runaway (Run!)

[Chorus]
          F                    C
Up on the mountain I see down below
           G                 Bb
It s easy to lose yourself I know
                 F                      C
Can t hear what you re shouting, I m deaf to your show
          G                   Bb
It s easy to lose your self control
         F                 C
Everybody gets high, everybody gets low
G                    Bb
Life can be such overdose
        F                  C
Up on the mountain I see down below
          G                 Bb
It s easy to lose yourself I know
          F
In the in between

[Interlude]
F C G Bb

[Verse 2]
D                        F         C
Life s so dark when everyday is a struggle
D                      F       C
Why go out and see the world on fire
D                       F         C
Don t let your mindset become what controls you
D                          F       C
Speak right now and make the choice to grow

[Pre-Chorus]
       F         G         A
Don t run away, run away, runaway
       F         C/E       A
Don t run away, run away, runaway (Run!)
```

[Chorus]
```
             F                        C
Up on the mountain I see down below
               G                    Bb
It s easy to lose yourself I know
                     F                         C
Can t hear what you re shouting, I m deaf to your show
               G                    Bb
It s easy to lose your self control
                   F                  C
Everybody gets high, everybody gets low
G                      Bb
Life can be such overdose
             F                    C
Up on the mountain I see down below
               G                    Bb
It s easy to lose yourself I know
                 F
In the in between
```

[Bridge]
```
             D
I won t let pain get in my way
               Bb
I can t have silence claiming me
         F
We have strength in numbers, strength in numbers
    C/E
To get us through the day
           D
No compromises to be made
            Bb
This is a war we re gonna win
         F
We have strength in numbers, strength in numbers
    C/E
To get us through the day
```

[Chorus]
```
             F                           C
Up on the mountain I see down below
               G                    Bb
It s easy to lose yourself I know
                     F                         C
Can t hear what you re shouting, I m deaf to your show
               G                    Bb
It s easy to lose your self control
                   F                  C
Everybody gets high, everybody gets low
G                      Bb
Life can be such overdose
```

```
        F                         C
Up on the mountain I see down below
              G                Bb
It s easy to lose yourself I know
                F
In the in between

[Outro]
F           C
Woah-oah-oh-ohhhh-oh-oh
G           Bb
Woah-oah-oh-oaahhhh

(In the in between)

F           C
Woah-oah-oh-ohhhh-oh-oh
G           Bb
Woah-oah-oh-oaahhhh

(In the in between!)
