Tuning:standard

It s a reach for your little finger to hit the 5 and sustain the 9th fret but it
s good
you (haha), and it sounds great when you can let all the notes ring through
without
them!

```
e |-----|
B |-----|
G |-----|
D |-----|
A |---8---9-----9-8---8-9-----9---9-----9-8-----8-9-----|
E |-9---9-----7-----7-----6---6-----5-----5-----|
```

repeat throughout the song.
