

Cant Say No
Beasts of Bourbon

Can t Say No - Beasts of Bourbon

F#m **C#m**
I was born under a falling star, a very dark, dark star,
Bm **F#m** **E**
that only shines on the wicked and the weary.
F#m **C#m**
You were born under a shimmering light, a pure bright white light,
Bm **F#m** **E**
that only shines at the break of day.

F#m **D**
I can t say no, I can t say no,
Bm **C#m** **F#m** **E**
s nothing left to show, I can t say no.
F#m **D**
I can t say no, no I can t say no,
Bm **C#m** **F#m** **E**
s nowhere else to go, I never could say no.

F#m **C#m**
If I should die under a cloudy sky, then I won t need a reason why,
Bm **F#m** **E**
to give you my finest hour at the end.
F#m **C#m**
If you should ask anything of me, well you just ask and it shall be
Bm **F#m** **E**
and I ll be there, to take the last breath from your body into mine.

F#m **D**
I can t say no, no I can t say no,
Bm **C#m** **F#m** **E**
s nowhere else to go, I can t say no.
F#m **D**
I can t say no, no I can t say no,
Bm **C#m** **F#m** **E**
after a show, I never could say no.

F#m **C#m**
I live with grief and guilt, this is the house that sorrow built
Bm **F#m** **E**
and underground the foundation rests in stone.
F#m **C#m**
You live in innocents, an ignorance that s dangerous,
Bm **F#m** **E**
cause you see the purity of all.

F#m **D**
I can t say no, well I can t say no,
Bm **C#m** **F#m** **E**
s nowhere else to go, I can t say no.
F#m **D**
I can t say no, no I can t say no,
Bm **C#m** **F#m** **E**
s nothing left to show, I can t say no.
F#m **D**
I can t say no, no I can t say no,
Bm **C#m** **F#m** **E** **F#m**
s nowhere else to go, oh no.

Enjoy!
