Follow me

G
Follow me
Em **Bm**
Baby, I won't let you leave if you believe in me
C **B** **Em** **A**
And I always set you free from all those yesteryears
C **D**
But you don't know how much
G
I got believe in you

G
I was staring at your shoulder shivering
Em **C**
In such a coldest summer breeze

Meanwhile I wonder why we're here
Am **G** **G/F#** **Em**
Look for the line between love and friends
C **Dsus4** **D**
We'll be twisting ourselves again

G
I was standing at the corner on the street
Em **C**
Watching the wheels are turning free

Waiting to back up on my feet
Am **G** **G/F#** **Em**
Reading a line between night and day
C **D** **Cm**
I'll be twisting myself again
