War for the mainframe -

battles of the human heart are really quite the same.

Life is quite a show,

but nothing I ve seen ever taught me how to let things go.

So long to you...so long to you.

Oh, now, I cried and cried,

as though a sea of tears would somehow float you to my side.

One learns to lose when choices are between two things that one would never choose.

Dry land, a memory -

I ll wrap it in a boat and push you gently off to sea.
