Bebe Rexha

Bm **G**
I feel in the beginning when we re living
We were tripping, we were so high

D
When you tell me that you love me were you bluffin?
Was it nothing? Now you re so dry

Bm
You can tell me that you re sorry
G

But I know that you don t mean it, baby don t lie
D
Don t lie, baby don t lie

Bm **G** **D**
And I can t blame myself for getting lost inside the promise of you

Bm
And I can t blame you leaving

G **D**
Cause what s meant to be will always be true

G **A**
There isn t enough love in the atmosphere

Bm **D**
To keep you here, ah

A **G** **A**
There isn t enough love in the atmosphere

Bm
Don t leave me here

D
All alone

G
I ride for my baby

A
I died for my baby

Bm **D**
I d die for my baby no lie

G **A**
There isn t enough love in the atmosphere

Bm
In the atmosphere

Bm **G**
Remember we were running up and down
And getting messy in the hallways

D
Told me that forever was the time we d be together, baby, always

Bm

Now you re saying that you re sorry

G

But I know that you don t mean it cause you won t stay

D

No you won t stay, you won t stay

If there s winners and losers

I don t want another if we can t have each other

D

G

Maybe in a different world

A
