Call You Mine (feat. The Chainsmokers) Bebe Rexha [Intro] C Em D [Primeira Parte] C Two kids with their hearts on fire Who s gonna save us now? Em When we thought that we couldn t get higher D Things started looking down С I look at you and you look at me Like nothing but strangers now Em Two kids with their hearts on fire Don t let it burn us out C Think about what you believe in now Am I someone you cannot live without? Em D Cause I know I don t wanna live without you, yeah С Come on, let s turn this all around Bring it all back to that bar downtown \mathbf{Em} D When you wouldn t let me walk out on you, yeah [Pré-Refrão] С D You said, Hey, whatcha doing for the rest of your life? Em G D And I said, I don t even know what I m doing tonight G/B Went from one conversation to your lips on mine G D/F# Em Em And you said, I never regretted the day that I called you mine D C So I call you mine

[Refrão]

(Em G)

C Can I call you mine? (Ooh) Am And you said, I never regretted the day that D I called you mine

[Segunda Parte]

C

Broke kids running through the city

Drunk on the subway train Em Set free every time you kissed me D We couldn t feel no pain C You looked at me and I looked at you

Like we d never look away

Em

Broke kids running through the city

Don t let the memory fade
