A Million Raindrops by Bebo Norman

### VERSE 1

**Bb Bb/A G Eb**  
Can I feel the sun?  
**Bb Bb/A G Eb**  
Breaking through the gray I m lost within  
**Bb Bb/A G Eb**  
Can I hear the wind?  
**Bb Bb/A G Eb**  
Like a secret telling me I ll live again  
**F Bb/A**  
I need you

### CHORUS

**G Eb**  
All your thoughts, let them fall  
**Bb F**  
Like a million raindrops  
**G Eb F**  
On this desolate ground I m standing on  
**G Eb**  
Every word from your lips  
**Bb F**  
Like a father s kiss  
**G Eb F**  
That all my life I ve waited on

### VERSE 2

Can I walk the line?  
Tell me, will you be my safety net?  
Can you save a life?  
Tangled up in weakness and regret  
I know you can

All your thoughts, let them fall  
Like a million raindrops  
On this desolate ground I m standing on  
Every word from your lips  
Like a father s kiss  
That all my life I ve waited on  
That all my life I ve waited on

### BRIDGE

**Eb Bb**

I m crying out to you

**F** **G**

I m crying out to you, yeh-ee-ah

**Eb** **Bb**

There s nothing left to lose

**F** **G**

There s nothing left to prove, yeh-ee-ah

**Eb** **Bb**

I m crying out to you

**F**

I m crying out to you

All your thoughts, let them fall

Like a million raindrops

On this desolate ground I m standing on

Every word from your lips

Like a father s kiss

That all my life I ve waited on

All your thoughts, let them fall

Like a million raindrops

On this desolate ground I m standing on

Every word from your lips

Like a father s kiss

That all my life I ve waited on

That all my life I ve waited on

This is my first submission. Pretty sure it is dead on.

Enjoy and God bless.
