

Cover Me

Bebo Norman

He actually plays this song in an alternate tuning I believe, but here are the chords in standard. It sounds good enough to me, hope you like it.

To play with album Capo 2

**Dsus2 G**

Cover me, cover up my tears

**Em7 A**

Cover up this man who s covered up in fear

I need a peace of mind, I need a piece of you

To cover all that s gone and everything that s new

**Em7 D/F#**

You unveil me with your mercy

**G A**

I want to breathe you in

**Em7 D/F#**

You unfold me, then you hold me

**G A**

Cover up my heart, cover up my soul

**Bm G**

Cover up this world and everything I know

**G A**

You cover up the sky, you cover up the sea

**Bm G**

Cover up the mountains and every part of me

**Em7 A Dsus2**

Everything single breath I breathe...cover me

**Dsus2 G Em7 A**

I am still alive and covered up in years

Covered up in lines as innocence appears

So give me a peace of mind, give me a piece of you

To cover all that s old with everything that s new

**Em7 D/F#**

You unveil me with your mercy

**G** **A**  
I want to breathe you in  
**Em7** **D/F#**  
And you unfold me, then you hold me

**G** **A**  
Cover up my heart, cover up my soul  
**Bm** **G**  
Cover up this world and everything I know  
**G** **A**  
You cover up the sky, you cover up the sea  
**Bm** **G**  
Cover up the mountains and every part of me  
**Em7** **A** **Dsus2**  
Everything single breath I breathe...cover me

During instrumental just play :  
**Dsus2 G Em7 A**

**Em7** **D/F#**  
You unveil me with your mercy  
**G** **A**  
I want to breathe you in  
**Em7** **D/F#**  
You unfold me then you hold me  
**G** **A**  
I want to shed this skin  
**Em7** **D/F#**  
You unveil me with your mercy  
**Em7** **D/F#**  
You unfold me, then you hold me  
**Em7** **D/F#**  
You unbreak me, would you take me home

**G** **A**  
Cover up my heart, cover up my soul  
**Bm** **G**  
Cover up this world and everything I know  
**G** **A**  
You cover up the sky, you cover up the sea  
**Bm** **G**  
Cover up the mountains and every part of me  
**Em** **A** **Dsus2**  
Everything single breath I breathe...cover me
