

**Disappear**

**Bebo Norman**

Disappear

Bebo Norman

Intro: **D D/C# G**

**D D/C#**

On a day like this

**G**

I want to crawl beneath a rock

**Em**

A million miles from the world, the noise,

**D/F# Bm**

**G**

The commotion that never seems to stop

And on a day like this

I want to run from the routine

Run away from the daily grind

That can suck the life right out of me

**G**

**Asus A**

I only know of one place I can run to

**D Asus**

I want to hide in You

**A**

**F#m**

The way, the life, the truth

**G**

**G A**

So I can disappear

**D**

**Asus**

And love is all there is to see

**A F#m**

Coming out of me

**Em**

**D/F#**

**Asus**

And you become clear

**A**

(**G D2** - this chorus only)

As I disappear

I don't want to care about earthly things

Be caught up in all the lies

That trick my eyes

They say it's all about me

**G**

**Asus A**

I'm so tired of it being about me

CHORUS

**Bm**                            **G**            **A**  
I would rather be cast away  
**Bm**                            **G**            **A**  
Separated from the human race  
**D**            **A**                            **G**  
If I don t bring you glory  
**D**            **A**                            **G**  
If I don t bring you glory  
**D**            **A**                            **G**            **A**  
If I don t bring you glory

CHORUS

INTRO (end on **G**)

\*As usual, listening to the song is essential for strum patters, timing, and transitions, but this should be pretty easy to play off of if your familiar with the song. Enjoy!
