Disappear
Bebo Norman

Intro: **E E/C# A**

E E/C#
On a day like this

A
I want to crawl beneath a rock

F#m
A million miles from the world, the noise,
E/F# C#m A
The commotion that never seems to stop

And on a day like this
I want to run from the routine
Run away from the daily grind
That can suck the life right out of me

A Bsus B
I only know of one place I can run to

E Bsus
I want to hide in You
B G#m
The way, the life, the truth
A A B

So I can disappear
E Bsus
And love is all there is to see
B G#m
Coming out of me

F#m E/F# Bsus
And you become clear
B (A E2 - this chorus only)
As I disappear

I don't want to care about earthly things
Be caught up in all the lies
That trick my eyes
They say it's all about me

A Bsus B
I'm so tired of it being about me

CHORUS

C#m **A** **B**
I would rather be cast away
C#m **A** **B**
Separated from the human race
E **B** **A**
If I don t bring you glory
E **B** **A**
If I don t bring you glory
E **B** **A** **B**
If I don t bring you glory

CHORUS

INTRO (end on **A**)

*As usual, listening to the song is essential for strum patters, timing, and transitions, but this should be pretty easy to play off of if your familiar with the song. Enjoy!
