

Perhaps Shell Wait
Bebo Norman

By Dan Degener...Here s one of my favorite Bebo Norman Songs..i think it s accurate but welcome your response. He finger picks this whole song but it sounds ok strummed too..
i think he fingers a regular C and merges into C9 in the song..it s a beautiful song
have fun!

Perhaps She ll Wait

(G) They say you cannot walk before you (D)Crawl
I wonder (Em)why, I wonder (C9)why
(G) Cuz everybody dreams before they (D)fall
A wonder (Em) world, then we (C9)lose it all

(Em) But I will (D)dream of to(G)morrow
Where the (C) past will not be in my way
(D)Passion lives another day
And (Em) I will (D)dream of to(G)morrow
Where per(C)haps she ll wait for (D)me

instrumental **G D Em C**

(G)And every single heart that I have (D)held
In my (Em) hands, my clumsy (C)hands,
(G)i fumbled then around until they (D)fell
It s much safer (Em)ground just keeping (C9)to myself

(**Em**)But I still (**D**)dream of to(**G**)morrow
Where the (C)past will not be in my way,
(D)Passion lives another day
And (**Em**)I still (**D**)dream of to(**G**)morrow,
Where per(C)haps she ll wait for (D)me
And per(C)haps she ll wait for (D)me
