

Sunday

Bebo Norman

Capo 3

Em Bm A/C# D

Day is fading, but baby, I don't mind

Em Bm A/C# G

Cause sunlight is dancing in your eyes

Em Bm A/C# D

And time is frozen but somehow flying by

Em Bm A/C# G

Here with your hand holding mine

A/C# D G

It just feels right kissing on a Sunday

A/C# D G

I'll hold you tight as if it were the last day

A/C# D G

With all my might, I will keep the world away

G G A Em - Bm - A/C# - D

It just feels right kissing you on a Sunday

Time is racing to the sound of my heart beating

Can the dreaming escape this life

Unfair, maybe, but know that I'm not leaving

Right now, baby, life is kind

A/C# D G

Make this moment last for a lifetime

A/C# D G

Don't let it slip away

A/C# D G

Play it over and over like your favorite song

A/C# D G

And we'll fit forever in a day
