

Clap Hands
Beck

This is a rather easy song to play on the guitar. Just play this over and over.

```
-----|
-----|
-----|
0-0-2-0-----|
-----4-4-3-4-----|
-----|
```

Right at the end it is played like this

```
-----|
-----|
-----|
0-0--0-0--0-0-2-0-----|
-----| X2
-----|
```

Just hit your hand on your guitar to drum along when you are not playing.
