

Country Down
Beck

Intro: G C G C

C C/B Am

Oh country down

G C

Where I found my proving ground

C C/B Am

All along the floodline

G C

Wheels are turning around

G C

The hills roll out like centuries

G C

Pass by without a sound

G F Am G

Just a mile outside of town

C C/B Am

Downriverbound

G C

Where the limit to your sky fell down

C C/B Am

A plot against your will

G C

Is furrowed into your brow

G C

Against your better judgment

G C

It s all behind you now

G F Am G

Just a mile outside of town

D F

What s the use in being found

Am G

When you can lose yourself in some good ground?

D F

In the weeds hiding downriver right next door

Am

There s no frame around your picture

G

Just a view through my back door

C C/B Am G C (2x)

G C G C

G F Am G

C C/B Am

Time evermore

G C

You just found what you re looking for

C C/B Am G C

A tiger rose growing through your prison door

G C G C

Reaching for sunlight, can t see it anymore

G F Am G

Just a mile from my back door

D F

You could wake up on a lifeboat neath the sun

Am

On a ladder up to the sky

G

You re standing on the lowest rung

D F

Holding a lifeline, using my best defense

Am G

Running in the undertow I couldn t fight against

C C/B Am

Oh lay me down

G C

Where we found my proving ground

C C/B Am

All along the floodline

G C

Waves are turning around

G C

The hills roll out like centuries

G C

Pass by without a sound

G F Am G

Just a mile outside of town
