G D C Em E

where will you go when this day is over

Am D G D D7

a gambler s purse lays on the road

Em

straight to your door

A D

snakes have gone crazy tonight

Dm Am D D7

winding their way out of sight

a laugh, a joke a sentiment wasted
seasons of strangers they ve come and gone
doldrums are pounding,
cheapskates are clowning this town
who could disown themselves now

engineer, slow down this old train
cinders and chaff laugh at the moon
night birds will cackle
rotting like apples on trees

Dm Am D A7

sending their dead melodies...to me
