Album: Guero
Tabbed by: Dan Benz (DanS*)

off of their album Guero . The main guitar riff is very catchy, and to try to get it out of my head I have tabbed it here.

a quarter step. I spent a short time wondering what was wrong with my guitar and why it sounded slightly off no matter how I played it.

The dots under the tab are just to show where the beat is.

Tuning: 1/4 step down!

Lyrics:

See me comin to town with my soul
Straight down out of the world with my fingers
Holding onto the devil that I know
All my troubles ll hang on your trigger
Take your eyes and your mind from the road
Shoot your mouth off but look where you re aiming
Don t forget to pick up what you sow
Talking trash to the garbage around you

See me kickin the door with my boots
Broke down out in a ditch of old rubbish
Snakes and bones in the back of your room
Handing out a confection of venom
Heaven s drunk from the poison you use
Charm the wolves with the eyes of a gambler
Now I see it s a comfort to you
Hammer my bones on the anvil of daylight

I won t give up that ghost
It s sick the way these tongues are twisted
The good in us is all we know
There s too much left to taste that s bitter

Na na na na na na na na...
