Fourteen rivers
fourteen floods
send your body to the heavens above.

Don t get drunk
don t get dry
just bring your money next Saturday night.

Forty miles on a cattle trail
with a happy mule
and nothing on my mind
all my life I ve been talking fast
taking all the things
that I should have let pass.

Throw my hat on a coffee mill
put another brick
in the fire place.
Well I don t know about you or me
but some got loose
back on down.
